The Staten Island Federation of Catholic School Parents is a not-for-profit organization that serves as a parent support group for the 38 Catholic elementary and high schools on Staten Island. Each school appoints at least 2 Delegates to the Federation. Bimonthly meetings are held.

The Federation serves as a liaison between the member schools and the Archdiocese. Part of our mission is to be a pro-active force on issues where our input would benefit the member schools.

The New York State Catholic Advocacy Network works with the New York State Catholic Conference, the official public policy voice of the bishops of New York State. When you sign up to be a member of the Advocacy Network, you receive emails alerting you to public policy issues facing us as parents and Catholics. You then log onto the Catholic Conference's website and, in less than a minute, your opinion is sent to your local representatives. The website link is www.nyscatholic.org

We are asking that all parents sign up for the Advocacy Network - but we will do the work for you. By filling out the bottom of this page, you are allowing us to sign you up with the Network. You will begin to receive emails and will be able to let your voice be heard on public policy.

Thank you for your time and consideration in this very important matter.

PLEASE SEND THIS BACK ASAP
